### **TRIUNFO SANITATION DISTRICT BOARD SEEKS TO FILL BOARD VACANCY**

VENTURA, Calif., December 20, 2016 – The Triunfo Sanitation District (TSD) Board of Directors seeks to appoint an eligible member of the public to fill the vacancy created by the recent resignation of Director Michael McReynolds. Director McReynolds is leaving the area and resigned from the Board on December 18, 2016.

With an operating budget in excess of \$15 million, the agency's service area covers approximately 50 square miles and serves a population of approximately 33,000. TSD receives no tax revenue and relies on fees and charges for services provided. District services include wastewater collection and treatment, potable water distribution and recycled water treatment and distribution. "This is an opportunity for someone with strong problem-solving skills to help guide TSD through some of the unprecedented challenges currently facing water utilities," said TSD General Manager, Mark Norris. "Issues that include the continuing drought, the uncertainty of the state water supply and aging infrastructure."

To be eligible to serve on the Board, a person must be registered to vote and must reside within the boundaries of the Triunfo Sanitation District. The TSD boundary includes the areas of Bell Canyon, Lake Sherwood, Oak Park, and the Westlake Village and North Ranch portions of Thousand Oaks. The duties of a Director include attendance at regular TSD Board Meetings which are held on the fourth Monday of the month at 5:15 p.m., and the Joint Powers Authority meetings held on the first Monday of the month, at 5:00 p.m. The successful appointee will serve the duration of McReynolds term, which expires in November 2018, and will have to stand for election if they opt to continue serving on the Board.
