

TSD RESOLUTION NO. T16-002

**A RESOLUTION BY THE BOARD OF DIRECTORS OF THE
TRIUNFO SANITATION DISTRICT
ADOPT THE STATE WATER EFFICIENCY LANDSCAPE ORDINANCE**

WHEREAS, Governor Brown issued The Drought Executive Order (EO B-29-15) on April 1, 2015, which directed the Department of Water Resources to update the State's Model Water Efficiency Landscape Ordinance (MWELo, or Ordinance); and

WHEREAS, The California Water Commission approved the revised State MWELo on July 15, 2015; and

WHEREAS, the updated Ordinance shall increase water efficiency standards for new and existing landscapes through more efficient irrigation systems, greywater usage, on-site stormwater capture, and by limiting the portion of landscapes that can be covered in turf; and

WHEREAS, the Triunfo Sanitation District/Oak Park Water Service is a water service agency in an unincorporated area of Ventura County and is currently covered under the Ventura County General Plan since June 20, 1989; and

WHEREAS, Ventura County has committed to the State MWELo until the County's Local Coastal Plan (LCP) amendments to landscaping are certified (scheduled for December 2016); and

WHEREAS, the existing water use goals, under the Ventura County Resource Management Agency General Plan, are consistent with the State MWELo objectives for new construction and water conservation techniques, and encourages the use of recycled water for landscaping purposes.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED that the Triunfo Sanitation District Board of Directors does hereby implement the State MWELo, as currently applied under the Ventura County adoption, until such time as the County has a certified and adopted State equivalent MWELo in place.

EFFECTIVE DATE: This Resolution becomes effective immediately upon its adoption.

PASSED, APPROVED AND ADOPTED this 25th day of January 2016 by the following vote:
