## REVIEW OF ADVERTISING IN THE VENTURA COUNTY STAR NEWSPAPER VERSUS THE ACORN NEWSPAPER

### SUMMARY

At the Triunfo Sanitation District Board meeting of June 25, 2018, Vice Chair Orkney requested that staff look into advertising with the Acorn newspaper. Presently, the District has utilized the VC Star newspaper as its primary newspaper for public notices. Staff has reviewed California's criteria for the publication of legal notices and determined that the Acorn newspaper is not viable in meeting California Government Code (6000, 6008) requirements for consideration as an adjudicated publication of general circulation within the District's jurisdiction.

Historically, the District has used the Acorn for advertising as a courtesy to residents of the District, but not as the primary publication for legal notices. There may be situations, such as Proposition 218 related hearings, where the Board may want to augment public noticing to the VC Star with use of the Acorn, as was done this year. However, the VC Star, as a recognized adjudicated publication, will remain the primary publication used for legal notices.
